

On Holiday in New York state, August 2015

1. Three cousins and Dorothy, at Little York Lake, NY, at Jill and Lee's holiday house

The above photo records a rare occasion, one to treasure.

Three cousins are together here on 29 August 2015 at Little York Lake, NY, who could not live further apart. For although, like Jill's mother Dorothy, all three cousins were born in England, but Sue left for Australia with her parents when a toddler, and Jill with her parents, Dorothy and Bill (Walter) Badham, to America, while Katie is settled in England but here on holiday with Dan Varey and daughters Lara and Emma.

From left to right:

See page 5 below for family tree.

2. Family group at Little York Lake, NY, 29 August 2015

Joining the group, this second photo also has Jill's Lee, and on their first trip to America, Katie's Lara and Emma - Dan was also there, but taking the photo.

3. Boat trip at Skaneateles finger lake, NY, 25 August 2015

Family group on lunch time boat trip around Skaneateles, one of the finger lakes of upper New York state. Jill's Lee and Katie's Dan at back; at front from left to right, Katie with her aunt Dorothy next to her, then Emma and Lara with Jill.

4. Varey and Scherff families meet at Ellis Island, New York, 20 August 2015

The Vareys (with their mugshots and fingerprints securely recorded on arrival from England the previous day) greatly enjoyed meeting at Ellis Island the American Scherffs (who travelled up from home in Springfield, PA).

From left to right: Lara ; Owen ; Judy ; Katie ; Andy Scherff with Jake ; Dan Varey with Emma at far right.

Alexander Wood (Ref: 847) (+notes)
born: 25 May 1892, Lydd, Romney Marsh, Kent
died: 28 Mar 1958, New Street, Lydd, Kent
= May Florence Flisher, 10 Sep 1921, Lydd

One of 8 boys and had 3? sisters. His brothers were Thomas (older, b. circa 1859); Daniel (b. c1862); William [Bill] (b. c1863); George in 1865; Clem (b. c1866); Albert (c. 1867); Steven (b. 1869/70); Herbert (b. circa 1878/9). Sister Louisa [Lou] (b. 1872) married Edward Cloke (living in Park Street, she cooked for three or four of the unmarried Flisher brothers who lived in the adjacent house since called Edge End House). Sister Agnes Maud (b.1875/6-d.1956) married a Crosher, had 4 children: Bill, Les, May, and Ethel Crosher).

At the census of 1891, George Strude Flisher was an "Agricultural Labourer" living in Park Street, Lydd, with his widowed mother and four of his unmarried brothers and one sister, but soon after he left Lydd to work in London docks at the time of strikes by the dockers there. He married at Holy Trinity, Barking Row, on 24 Dec 1893. Marriage Certificate says he was a Stevedore and he and Fanny Kennett both resident at 112 Leyes Road [West Ham]. Fanny died in 1903 leaving three children, Elsie, May and Lucy.

Some years later - in 1909 - while living in Stepney, George fathered a child, the mother being [Florence Bird?], his landlady. The boy was Leonard (who with May as a teenager moved to Lydd), whose birth was probably registered with the surname of Bird (see a Birth Certificate, registered Apr-June 1909 at West Ham, Vol. 4a, p. 295). The mother later left Len with GSF. Later GSF married (christian name?) Johnson. There were no children by this second marriage, but by her earlier marriage 'Granny' Flisher/Johnson already had two children, Emily and Charles Johnson. Emily Johnson married Alfred Walter Cross having two children, Albert (b. July 1926) and Emily (b. Jan 1928) and when she died of cancer only a few weeks after giving birth to Emily, George Strude Flisher's eldest daughter, Elsie B. M. Flisher (May's sister) married A. W. Cross. Elsie had been closely attached to Emily Johnson and brought up Albert and Emily as well as her own child (Edna May Cross, b. 9 July 1929) by A. W. Cross.

Death certificate (July-Sept 1940, Essex SW, Vol 4a, p. 374) lists George S. Flisher, age 74, and buried in West Ham cemetery.
